Should the taxpayer fail to submit a sworn statement of gross sales or receipts, due among others to his failure to have a book of accounts, records or subsidiaries for his business, the Municipal Treasurer or his authorized representatives may verify or assess the gross sales or receipts of the taxpayer under the best available evidence upon which the tax may be based.

(e) *Submission of Certified Income Tax Return Copy.* All persons who are granted a permit to conduct an activity or business and who are liable to pay the business tax provided in this Code shall submit a certified photocopy of their income tax returns (ITR) on or before April 30 of each year. Any change in ownership, management and/or name of the business shall not constitute termination as herein contemplated. Unless stated otherwise, assumption of the business by any new owner or manager or re-registration of the same business under a new name will only be considered by the LGU concerned for record purposes in the course of the renewal of the permit or license to operate the business.

The Municipal Treasurer shall see to it that the payment of taxes of a business is not avoided by simulating the termination or retirement

**REGULAR SESSION  
MUNICIPAL ORDINANCE NO - 831**

thereof. For this purpose., the following procedural guidelines shall be strictly followed:

- (a) The Municipal Treasurer shall assign every application for the termination or retirement of business to an inspector in his office who shall go to address of the business on record to verify if it is really not operating. If the inspector finds that the business is simply placed under a new name, manager and/or new owner, the Municipal Treasurer shall recommend to the Municipal Mayor the disapproval of the application of the termination or retirement of said business;
  - (b) Accordingly, the business continues to become liable for the payment of all taxes, fees, and charges imposed thereon under existing local tax ordinance; and
  - (c) In addition, in the case of a new owner to whom the business was transferred by sale or other form of conveyance, said new owner shall be liable to pay the tax or fee for the business and shall secure a new Mayor's permit therefor.
- (2) In case it is found that the retirement or termination of the business is legitimate and the tax paid during the current year be less than the tax due for the current year based on the gross sales or receipts, the difference in the amount of the tax shall be paid before the business is considered officially retired or terminated.
- (3) The permit issued to a business retiring or terminating its operation shall be surrendered to the Local Treasurer who shall forthwith cancel the same and record such cancellation in his books.
- (i) *Death of Licensee.* When any individual paying a business tax dies, and the business is continued by a person interested in his estate, no additional payment shall be required for the residue of the term for which the tax was paid.

**Article F. Presumptive Income Level**

**Section 2F.01. Presumptive Income Level.** For every tax period, the Treasurer's Office shall prepare a stratified schedule of "presumptive income level" to approximate the gross receipt of each business classification.

*[The PIL technique makes use of easily verifiable indicators as means for determining gross sales.*

*It is based on logical assumptions that do not require monitoring of business establishments nor financial audit and complicated computation.*

*The indicators can be in the form of estimated daily sales/gross receipts, average number of customers, estimates of inventories, inventory turnover and mark-ups, space occupied, occupancy rates, and others.*

*The indicators will also depend on the nature of the business.*

*The major consideration in identifying possible indicators should be that these*

**REGULAR SESSION  
MUNICIPAL ORDINANCE NO - 831**

*are easy to quantify, verifiable, common for the business, and acceptable to both the LGU and the taxpayers.]*

**Section 2F.02.** The Presumptive Income Level (PIL) of gross receipts shall be used to validate the gross receipts declared by taxpayers and/or for establishing the taxable gross receipts where no valid data is otherwise available.
